RETIRING PASTOR TO LEAVE JULY 30

Rev. Dr. Douglas Will Preach
Final Sermon.

Rev. Lloyd C. Douglas, pastor of
Luther Place Memorial Church, who on
July 2 formally announced to the con-
gregation his resignation in order to
enter a vaster field of Christian service,
will deliver his final sermon in Wash-
ington next Sunday morning.

Dr. Douglas does not like the term "fare-
well sermon," for he says he hopes to
visit the National Capital from time to
time, and will then probably occupy this
Washington pulpit. He stated yesterday
that he has not prepared his sermon yet,
but that it will not be out of the ordi-
nary—a simple gospel plea.

He will leave the city in about a week
for Chicago, where he will be detained
on business during a part of August.
He will then return to Washington, and
not leave permanently until some time
in September. Dr. Douglas is to fill the
newly created office of director of reli-
gious work in the University of Illi-
nois Christian Association.

BAPTIST CHURCH HAS ANNIVERSARY

Celebration Services Held by
All Branches.

The fifty-fifth anniversary of the Fifth
Baptist Church and its Sunday school
was observed yesterday with morning,
afternoon, and evening services in the
presence of large delegations from other
Baptist churches of the city.

The 11 o'clock services were in charge
of Rev. John E. Briggs, pastor of the
church, and the sermon was preached by
Rev. Mr. Larcombe, of New York, who
entered the Baptist ministry some years
ago after being prominently identified
with the Fifth Church. Rev. Dr. West-
on Bruner, of San Antonio, Tex., also
made a brief address.

Another meeting was held at 4 o'clock
in the afternoon, which was largely at-
tended by Italians of the southwest sec-
tion. Rev. Nicholas Scarito, pastor of the
local Italian Baptist mission in H
street northeast, which has been fos-
tered by the Bethany Baptist member-
ship under the direction of Rev. Hugh T.
Stevenson, pastor, preached the sermon.
The Sunday school was organized fifty-
five years ago by Dr. C. C. Meador in
what was known as "Island Hall," near
where the present church stands.

PEACE JOINS VETERANS.

No Discord Marks Reunion at Bat-
tlefield Celebration.

Declaring that the old animosity be-
tween the North and South had entirely
disappeared, Maj. J. E. Gilman, com-
mander-in-chief of the Grand Army of
the Republic, who took part in the cele-
bration last week on the Bull Run battle-
field, yesterday, while passing through
the city on his way to Boston, expressed
his delight at the great success of the
peace jubilee.

Maj. Gilman said that the spirit of
companionship pervaded the entire cele-
bration, and that not one sign of dis-
cord was evident.

POOR TOTS VISIT THE ZOO.

Forty Children from Camp Good
Will Have Joyful Sunday.

Forty children from Camp Good Will
yesterday afternoon visited the Zoo, gaz-
ing at the lions, tigers, bears, and other
animals, and romping joyously over the
great green slopes of the park.

The boys and girls took a swim in the
bathing pool early in the morning, after
which they went to various churches at
Brightwood, parties being arranged ac-
cording to religious denominations. A
delicious dinner was served, and at night
the campers enjoyed religious services
held by the young people of the Hyatts-
ville Baptist Church.

Masonic Hold Service.

The monthly religious service of King
Solomon Lodge, No. 8, F. & A. M., was
held yesterday afternoon at Masonic and
Eastern Star Home, Takoma Park. Rev. J.
J. Dimon, chaplain of the lodge, and
pastor of St. Andrew's Church, conducted
the services. Vocal and instrumental
music was rendered, the solos being sung
by Mr. Bowie and Miss Shepherd.

A Public Statement

Dr. Wiley Vs. The Food Products Interests

TWO years ago, against the earnest protest of Dr. Wiley,
Chief of the U. S. Bureau of Chemistry, authority was
granted by the U. S. Government to manufacturers to use
the coal tar drug, Benzoate of Soda, as an artificial preservative
in prepared foods.

This ruling was then, and is now, generally believed to have
resulted from the activity of a certain class of food manufactur-
ers desiring to use more or less unfit waste material and to
avoid the expense of careful sanitation in food preparation.

In justice to our position as manufacturers of pure foods
we issued at that time a public statement of our attitude upon
this important question, so vitally affecting the public health.

The country is today aroused over an attack upon Dr.
Wiley. This attack is also attributed to the influence of that
class of Manufacturers who find the operation of the Food Law,
under Dr. Wiley's administration adverse to their interests.

*In order that there may be no misunderstanding
of our position in this connection, we again announce
to our trade, and to the public in general, that we have
no quarrel with the Pure Food Laws of the country
or with any officer charged with their enforcement.*

We use in Heinz 57 Varieties—Foods, Sauces, Relishes,
Condiments—only fresh, sound fruits and vegetables. These
are prepared by neat, uniformed work people, in clean kitchens,
without the use or need of Benzoate of Soda, or other artificial
preservative. We welcome now, as we always have, the strict-
est enforcement of all Pure Food Laws as a means of creating
the greatest degree of public confidence in all prepared foods.

CAMPAIGN FOR THE PARK PLAYGROUNDS CONTINUES

Citizens in All Sections of the City Have Adopted the
Slogan, "Nothing Is Too Good for
the Children."

Two important questions have sprung
above the horizon since the Garfield Park
agitation in protest against placing play-
grounds on the public park.

Should improved property or estab-
lished public parks be given over to the
use of the Washington Playground Asso-
ciation?

What effect has the establishment of
a playground on real estate values in the
vicinity?

According to advices received by The
Washington Herald yesterday, really ex-
perts have not yet given close analysis
to the latter question. As to the first
interrogation, it may be looked at from
the moral, esthetic, or practical point of
view, with different results.

There is throughout the city a feeling
which is best expressed in these words:
"Nothing is too good for children." Cit-
izens who are cognizant of the great phi-
lanthropy which is the motive power of
the playground movement declare that no
obstacle should be allowed to stand in
the way of creating more playgrounds.
Money is not available for the purchase
of grounds, they are stanchly of the
conviction that public parks should be
used regardless of esthetic considera-
tions.

Garfield Park "Nuisance."
The citizens of Garfield Park, who are
responsible for the present turmoil re-
garding playgrounds, have had three
years' experience with a playground in
the large, beautiful reserve which faces
their property, and are a unit in de-
claring that it is a growing example of
mistaken zeal, a nuisance artistically,
and a menace from the real estate point
of view.

So far there is little evidence of sup-
port coming to them from other sections
of the city. Citizens as a whole have
little sympathy with the Garfield Park
point of view. Creed M. Fulton, the
well-known lawyer, says:

"I think that all our city parks should
be thrown open whenever necessary to
the children and for playgrounds. I do
not except any parks from this state-
ment, because when discriminations of
any sort are made between sections of
the city, sympathy as a whole have
little sympathy with the Garfield Park
point of view. Of course, where vacant lots are unimpro-
ved property can be secured by the Play-
ground Association, either by purchase
or rental, the use of the parks is unac-
cessary."

There is no necessity for assuming
any park will be defaced by the presence
of children, or marred by installing the
usual apparatus of playgrounds. Even

NATIONAL SAENGERFEST HALL DEAL IS CLOSED

Huge Auditorium in Philadelphia to House Gathering
of German Singers in Their Compe-
titions for Prizes.

The United Singing Societies, of this
city, consisting of the Saengerbund and
the Arion Gesangverein, have been noti-
fied by the authorities of the National
Saengerfest, which will be held in Phila-
delphia next year, that the building of
the large convention hall in Fairmount
Park, where the great concerts will take
place, has been secured.

Mayor Reyburn, one of the most enthu-
siastic supporters of the Saengerfest, has
secured the services of Architect John T.
Windrim for the great hall, which is to
cost \$1,500,000. The Washington Saenger-
bund, under the direction of Prof. Hein-
rich Hammer, its musical director, and
the Arion Gesangverein, under the lead-
ership of Prof. Karl Holer, have already
begun to rehearse the prize and competi-
tion songs.

WASHINGTON MEN HONORED.

Printers Chase Capital Members for
High Offices.

Three Washington men have been hon-
ored at the convention of the Interna-
tional Steel and Copper Plate Printers'
Union, at Boston. Charles T. Smith, pub-
lisher of the Plate Printer, was elected
secretary and treasurer of the organiza-
tion, and George P. Foster, an employe
of the Bureau of Engraving and Print-
ing, was elected organizer.

William D. Clark, who is also repre-
senting the union plate printers of Wash-
ington, was chosen as a trustee and mem-
ber of the executive committee. The in-
ternational plate printers will send Mr.
Foster to the meeting of the American
Federation of Labor at Atlanta, Ga., in
November.

NAVAL MILITIA RETURNS.

Battalion in Defense of New York
Enjoys Manoeuvres.

Declaring their cruise to have been the
most successful ever held, the members
of the naval militia of the District
returned Saturday night from
Hampton Roads, and yesterday morning
transferred their equipment to the old
monitor Osawk, after which they were
mustered out of the United States service
as seamen.

The command was aboard the battle
ship Virginia during most of the time,
and aided in the defense of the Long
Island coast during the mimic warfare
in that section. Saturday the District re-
serves helped to coal the Virginia at
Hampton Roads.
